Secondhand stallholders CAN sell:

Only GOOD quality nearly new goods relating to maternity, babies, toddlers and children's up to the age of 8 years. Our events provide our customers with excellent quality nearly new items as this is what they expect and will NOT buy overpriced, damaged, dirty, well worn and not in working order electrical or battery operated items on sale at our events. If you have items you wish to sell that fits what buyers won't purchase then PLEASE DO NOT bring them to our events as buyers will NOT buy them and will simply by-pass your stall. Only good quality items in like new condition are accepted and purchased at our event.

The sellers that turn up with good quality like new condition children's items generate far more sales. Parents will only buy items that have been well looked after, clean and in full working order and at a price that's reasonable not overpriced. We are not a car boot nor jumble sale but a high quality nearly new sale. If the event organiser sees items that are not up to our company's standard on sale we will ask the seller to remove them off their stall. Ultimately the items on sale that are purchased will end up in the hands of children so only high quality items in full working order are allowed at our events. By selling poor quality items you will not only disappoint the buyer but ultimately the child that received it.
